OFFICE OF THE SPECIAL
PROGRAMS EXAMINER

I, John L. Rogitz, certify that, to the best of my knowledge and belief, I am the sole and exclusive owner of the present U.S. patent application and to U.S. patent application serial no. 09/521,581 ("the parent application") reside in Active Input Solutions, LLC ("the assignee").

Further, the assignee hereby agrees that any patent granted on the above-identified U.S. patent application ("said patent") shall be enforceable only for and during such period that said patent is commonly owned with the parent application. The assignee hereby disclaims the terminal part of said patent which would extend beyond the expiration date of the parent application. This agreement runs with any patent granted on the instant application and is binding on upon the grantee, its successors, or assigns.

The assignee does not disclaim any terminal part of said patent prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of the parent application in the event that the parent application later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for separation of legal title as set forth above.

Respectfully submitted,
